EDUCATION

• **B.Sc. Computer Science** 2021–2026
Jazera University — Mogadishu

PROFESSIONAL SUMMARY

Passionate Full Stack Developer with a Bachelor's degree in Computer Science from Jazera University and hands-on experience building modern web and mobile applications. I specialize in React.js, Next.js, and Node.js, with a strong focus on clean code, performance, and user-centered design. I have successfully delivered real-world projects including a Library Management System, a Smart Livestock Vaccination App, and a Face Recognition Attendance System. Actively seeking opportunities to contribute to innovative teams and impactful products.

EXPERIENCE

- **Full Stack Developer — Freelance** 2023 – Present
Self-Employed · Remote
Designed and developed full-stack web and mobile applications for clients across various industries including education, agriculture, and health. Managed complete project lifecycle from requirements gathering to deployment.
- **Junior Web Developer — Intern** 2022 – 2023
Tech Startup · Mogadishu, Somalia
Contributed to building responsive web interfaces using React.js. Collaborated with senior developers, participated in code reviews, and improved UI performance by 30%.
